I have read and understand the Lanesboro Farmers Market Policy and Procedures, agree to abide by them, and have received a copy of them. I understand that these rules may be amended from time to time and it is my responsibility to have the most current copy. I will leave my current mailing address with the manager so that I receive notice of changes and other necessary information about the operation of the Farmers Market.

I understand that failure to abide by the Policies and Procedures may result in my disqualification, and this vendor's disqualification, from participation in the Farmers market. I agree that as a market vendor I will comply with all state, federal, and local including but not limited to labeling, scale requirements, egg temperature, sales tax and health codes. I will act in good faith to assure that all my Farmers Market customers are satisfied with the products I sell at the Market. I, for myself and for the business or entity I represent, agree that the City as Farmers market sponsor is not responsible to me or my business for any loss to my business or property due to power surges or power spikes. If I or my agents do not comply with the requirements for stall clean up, I agree that the city may perform the necessary clean up tasks and I will pay the clean up surcharge assessed against me and my stall for the cost of such clean up.
